Dear Early Childhood Community Stakeholder,

**Oldham County Early Childhood Regional Collaborative is looking for booth vendors for our Second Annual Countdown to Kindergarten Touch-A-Truck event.**

**Target Audience:** Children ages birth to 6 years and their families

**Event Goal:** Approximately 30% of children in Oldham County start Kindergarten NOT READY to succeed in school without additional support. Our Regional Collaborative sponsors this event to provide the community with access to School Readiness activities and resources.

**Booth Expectations:** Share your program information **AND** facilitate a parent-child engagement activity that addresses at least one area of School Readiness (cognition, motor/physical, self-help, language/literacy, math skills). You would be required to provide your own materials so that each family can do the activity together at the event. We will provide "tickets" to families that they can get stamped at each booth and trade in for a School Readiness bag at the end of the event. You must also provide your own tables/chairs/etc and a tent or large umbrella for shade, if desired. See specific event info at the top of the page. There is no fee for booth vendor registration or family participation.
